新大志

The background of the cover features a stylized illustration of a grey winding road with white dashed lines. A small red car is driving on the road. To the left of the road, there are several green trees of varying heights. Overlaid on the scene are large, blue, stylized Japanese characters '新大志' (Shin Daishi), which mean 'New Great Ambition'. The characters have a thick orange outline and a slight drop shadow, giving them a 3D appearance. The character '新' is on the left, '大' is in the middle, and '志' is on the right.
